Start With Medicare Basics

Make sure this plan is a good fit by reviewing the basics

Original Medicare is provided by the federal government and covers some of the costs of hospital stays (Part A) and doctor visits (Part B), but doesn't cover everything. It does not include prescription drug coverage (Part D). Although you are not required to enroll in Part D, there is a penalty of 1% of the average monthly premium for each month you delay enrollment. This must be paid monthly as long as you are enrolled in Part D. Depending on your needs, you may want to add on more coverage.

This is a Medicare Part D Prescription Drug plan (PDP)

Here's how your Medicare Part D plan works

What does it cover?

Original Medicare (Parts A and B) does not include prescription drug coverage. Medicare Part D plans cover certain prescription drugs. When comparing Medicare Part D coverage, check each plan's formulary (drug list) to make sure your drugs are included.

- The federal government sets guidelines for the types of drugs Medicare Part D plans must cover
- Each Medicare Part D plan decides which specific drugs it will cover and what members will pay
- Medicare Part D plans are available to those eligible for Medicare
- If you choose to enroll in a Part D plan, you can only do so through a private insurance company like UnitedHealthcare or other companies contracted with Medicare

When to enroll in a Medicare Part D plan.

Your Initial Enrollment Period (IEP) is 7 months long. It includes your birthday month, plus the 3 months before and the 3 months after your birthday month. Your IEP begins and ends one month earlier if your birthday is on the first of the month.

If you have creditable drug coverage through your employer or other insurance, you don't need to enroll in a Part D plan right away. Creditable drug coverage is coverage at least as good as you could get through Medicare Part D. You have a two-month Special Election Period to enroll in a Medicare Part D plan after losing other coverage. You could be charged a penalty if you go without creditable drug coverage over 63 days.

There's a Medicare Part D Late Enrollment Penalty

Although you are not required to enroll in Part D, there is a penalty of 1% of the average monthly premium for each month you delay enrollment. This must be paid monthly as long as you are enrolled in Part D.

Are you eligible for this plan?

You are eligible for a Medicare Part D plan if:

You are enrolled in Original Medicare Parts A or B (or both)

AND

Live in the plan's service area

Considerations for selecting the Part D plan that's right for you

Does the plan cover my prescription drugs?

- Enter your drugs into our online Drug Cost Estimator tool, [EstimateDrugCostsAARP.com](https://www.estimateDrugCostsAARP.com) to determine the total annual drug cost for each plan.

Which plan will be most cost effective?

- When comparing plans be sure to consider all costs, including monthly premium, copays, deductibles and the tier your drugs fall into.

Are you willing to fill at a pharmacy in the plan's Preferred Pharmacy Network?

- Using a preferred network pharmacy helps ensure that you get the lowest drug cost.

Your Drug Plan Coverage and Costs

Make sure your drugs are covered

Find out if your prescription drugs are covered by checking the Drug List (Formulary) in this Enrollment Guide or the online Formulary at **EstimateDrugCostsAARP.com**.

Know how much your drugs will cost

The amount you pay for your drug depends on 4 factors: what tier the drug is covered in, where you are within the drug payment stages, where you purchase the drug, and whether or not you have Extra Help.

Understanding drug tiers

Many plans group covered drugs together by cost. These groupings are called tiers. Generally, the lower the tier, the less you'll have to pay.

Drug List (Formulary) Tiers				
Tier 1	Tier 2	Tier 3	Tier 4	Tier 5
Preferred Generic	Generic	Preferred Brand	Non-preferred Drug	Specialty Tier

Note: Not all generic drugs are low cost. There are generic drugs in each tier. Check the drug list for the tier of your specific generic drug.

Your Part D prescription drug costs

With Medicare Part D prescription drug coverage, the amount you pay for prescriptions may change over the year. Here's why:

- Part D plans may have 4 coverage stages: annual deductible, initial coverage, coverage gap (also known as the donut hole) and catastrophic coverage.
- The amount of money you pay changes depending on the stage you are in.
- Many people never make it further than the initial coverage stage. If you take a lot of medications, especially high-cost medications, you may move into the next stages.
- The pharmaceutical industry may increase the price of drugs at any time in a plan year and pricing for drugs may vary across pharmacies in the network.
- The coverage cycle starts over again on January 1 each plan year.

Once you're a member

You can easily track how close you are getting to the coverage gap stage by signing in to your account online.

Explore ways to save time and money

✓ Spend less at select pharmacies¹

You could save even more on your prescription drugs by using one of the pharmacies in our Preferred Retail Pharmacy network. The locations listed below are just some of the participating pharmacies.² Visit **FindMyPharmacyAARP.com** to find a location near you.

✓ Try OptumRx® home delivery

Get a 90-day supply of your medications delivered through OptumRx, our preferred home delivery pharmacy.

OptumRx will send the prescriptions you take regularly right to your door with no cost for standard shipping. Register online at **OptumRx.com** to order new prescriptions, request refills and more.

✓ Consider generic drugs

Many commonly used prescription drugs have a generic form. Ask your doctor if your drugs are available as generics and if they would be appropriate for you. Then search for the generic versions at **EstimateDrugCostsAARP.com** to determine your potential savings.

✓ Use lower-tier drugs

Prescription drugs are grouped into 5 tiers and in general, drugs in lower tiers have lower costs. If your drug is in a higher, more expensive tier, ask your doctor if there is a cheaper alternative that could work for you.

✓ Get Extra Help

If you have a limited income, you may be able to get Extra Help with your Medicare prescription drug plan premiums, deductibles and copays. To find out if you qualify, call the Social Security Administration at **1-800-772-1213**, TTY **1-800-325-0778**, 7 a.m. – 7 p.m., Monday – Friday.

Drug List

Drug List

This is a partial alphabetical list of prescription drugs covered by the AARP® MedicareRx Preferred (PDP) and AARP® MedicareRx Saver Plus (PDP) Prescription Drug Plans as of September 1, 2018. This list can change throughout the year. Call us or go online for the most complete, up-to-date information. Our phone number and website are listed on the back cover of this book.

- ☐ **Brand name** drugs are in **bold** type. Generic drugs are in plain type
- ☐ Your plan may have an annual prescription deductible
- ☐ Covered drugs are placed in tiers. Each tier has a different cost
 - Tier 1: Preferred generic
 - Tier 2: Generic
 - Tier 3: Preferred brand
 - Tier 4: Non-preferred drug
 - Tier 5: Specialty tier
- ☐ See the Summary of Benefits in this book to find out what you'll pay for these drugs
- ☐ Some drugs have coverage requirements, such as Prior Authorization or Step Therapy

PA Prior authorization	The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.
QL Quantity limits	The plan only covers a certain amount of this drug for 1 copay. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.
ST Step therapy	You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.
B/D Medicare Part B or Part D	Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.
LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.

MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-Day limit	An opioid drug used for the treatment of acute pain may be limited to a 7 day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1 month supply per prescription.

Stand-alone Medicare Prescription Drug Plans (Part D)

Medicare Prescription Drug Plan (PDP) — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private Fee-For-Service Plans, and Medicare Medical Savings Account Plans.

Medicare Advantage Plans (Part C) and Cost Plans

Medicare Health Maintenance Organization (HMO) — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare HMO Point-of-Service (HMO-POS) Plans — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copayment or coinsurance.

Medicare Preferred Provider Organization (PPO) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare Private Fee-For-Service (PFFS) Plan — A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP) — A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) Plan — MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare Cost Plan — In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Other Related Products

Dental/Vision/Hearing Products — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

Hospital Indemnity Products — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

Medicare Supplement (Medigap) Products — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare (Parts A and B) such as deductibles and coinsurance amounts for Medicare approved services.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in these plans depends on the plan's contract renewal with Medicare.

☐ **AARP MedicareRx Saver Plus (PDP) K**

☐ **AARP MedicareRx Preferred (PDP) A**

Please Read This Important Information

This is a Part D plan. It's designed to help pay the cost of prescription drugs. **Note:** If you have a Medicare Advantage plan:

- ☐ You may already have drug coverage
- ☐ You will lose that plan automatically when you sign up for a Part D plan. This means you would lose your medical coverage. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage plan sends you and if you have questions, contact your Medicare Advantage plan. If you have an MA-only PFFS plan, you may still enroll in a PDP and will not lose your MA-only PFFS plan.

If you currently have health coverage from an employer or union, joining this plan could affect your employer or union health benefits. You could lose your employer or union coverage if you join this plan. Read the communication your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there isn't information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

How do you want to pay?

If you have a monthly plan premium (including any late enrollment penalty you may owe), you can choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board benefit check each month. You can also pay from your bank account through Electronic Funds Transfer (EFT), online or by mail.

This plan has a premium (monthly payment). Please choose how you want to pay it. Note: If you have a late enrollment penalty (LEP), we'll add it to your premium.

If you don't choose an option, we'll send a bill each month to your mailing address.

☐ I want to pay from my Social Security or Railroad Retirement Board (RRB) check.

I get monthly benefits from: ☐ Social Security ☐ RRB

We'll set it up. It may take a few months before payment starts, so the first payment may include more than one premium. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction or there is a delay in setup, we will send you a paper bill for your monthly premiums.

☐ I want to pay directly from a bank account.

- ☐ Please attach a blank check from the account you'd like to use. Write "VOID" across the front. Please DO NOT send a deposit slip or money order.
- ☐ Please read the statement below.

My bank may pay my plan premium to UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York for New York residents) (UHIC). My bank will pay the funds from my checking or savings account on or about the fifth of each month. The charges may include up to \$200 of current retroactive charges plus the monthly premium amount. If I choose to stop paying directly from my account, I will tell both UHIC and my bank. I will give them a reasonable amount of time to change my method of payment.

☐ **I want to pay online.**

Visit www.AARPMedicarePlans.com to make a payment directly from a bank account.

If you want to pay by credit card.

After you become a member, you can call us to have your monthly payment charged to your Visa or Mastercard. Until then, we'll send you a bill each month.

A few notes about your costs.

If you must pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA)

Social Security (SS) will send you a letter and ask you how you want to pay it:

- ☐ You can pay it from your SS check
- ☐ Medicare can bill you
- ☐ The Railroad Retirement Board (RRB) can bill you

Please DO NOT pay the plan the Part D-IRMAA at this time.

Need help with your prescription drug costs?

If you have a limited income, you may be able to get Extra Help with your prescription drug costs. If you qualify, Medicare could pay for 75% or more of your costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, you won't have a coverage gap or late enrollment penalty. Many people are eligible for these savings and don't even know it. If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only part of your premium, we will bill you for the amount that Medicare doesn't cover.

For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

By completing this form, I agree to the following:

- ☐ This is a Medicare Prescription Drug plan. It has a contract with the federal government. This Prescription Drug coverage is in addition to Original Medicare. This is not a Medicare Supplement plan.
- ☐ I need to keep my Medicare Parts A or B. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it.
- ☐ I can only be in one Medicare Prescription Drug plan at time-if I am currently in a Medicare Prescription Drug plan, my enrollment in this plan will end that enrollment.
- ☐ If I have prescription drug coverage now or if I get it from somewhere else later, I will tell the plan.
- ☐ I understand that I am joining the plan for the entire calendar year. If I want to change plans, I'll need to do so between October 15 and December 7. This is the Open Enrollment Period for Medicare Advantage **and** Medicare prescription drug coverage. I understand that there may be special situations at other times during the year in which I can leave the plan.
- ☐ This plan covers a specific area. If I plan to move out of the area, I will call my plan to switch to a plan in the new area. Medicare may not cover me when I'm out of the country. However, I have some limited coverage near the U.S. border. I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

- ☐ I will receive information on how to get an Evidence of Coverage. (The EOC is also known as a member contract or subscriber agreement.) The EOC will list services the plan covers, as well as the plan's terms and conditions. The plan will cover services it approves, as well as services listed in the EOC. If a service isn't listed in the EOC or approved by the plan, Medicare and the plan won't pay for it. If I disagree with how the plan covers my care, I have the right to make an appeal.
- ☐ I understand I must use network pharmacies except in an emergency. I have the right to make an appeal if I disagree with how the plan covers or pays for services.
- ☐ My plan will give my information, including my prescription drug event data, to Medicare and other plans when needed for treatment, payment and health care operations. Medicare uses the information to understand how my care was handled or billed. Other plans may need my information when they help pay for my care. Medicare may also give my information for research and other purposes. All federal laws and rules protecting my privacy will be followed.
- ☐ I understand that my state may offer help and advice with Medicare supplement insurance or other Medicare Advantage or Prescription Drug plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.
- ☐ If I get help from a sales agent, broker or someone who has a contract with the plan, the plan may pay that person for this help.
- ☐ The information on this form is correct, to the best of my knowledge. I understand that if I put information on this form that I know is not true, I will lose the plan.

When I sign below, it means that I have read and understand the information on this form.

If I sign as an authorized representative, it means I have the legal right under state law to sign. I can show written proof (Power of attorney, guardianship, etc.) of this right if Medicare asks for it. I understand that I will need to submit written proof of this right, to the plan, if I wish to take action on behalf of the member beyond this application. Get ready to use your plan to your advantage

Below are some helpful savings options for when your plan coverage begins:

 **Learn about and sign up for prescription home delivery.** Once your coverage begins, sign up and save by having your 3-month supply of medication conveniently mailed to your home.

 **Take advantage of members-only savings at preferred retail pharmacies.** Get extra savings by filling your prescriptions through our Preferred Retail Pharmacy Network.

 **Review your drugs with your doctor.** Bring a list of all the drugs you are currently taking with you to your doctor's appointments. Ask about generic drugs and lower-cost options that may be available to you and if they might work for you.

Thank you for choosing UnitedHealthcare®
