Helpful Terms

Stand-alone Medicare Prescription Drug Plans (Part D)

A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans and Medicare Medical Savings Account Plans.

Medicare Advantage Plans (Part C) and Cost Plans

Medicare Health Maintenance Organization (HMO)—A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan’s network (except in emergencies).

Medicare Preferred Provider Organization (PPO) Plan—A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare Private Fee-For-Service (PFFS) Plan—A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan’s payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP)—A Medicare Advantage Plan that has a benefit package designed for people with special healthcare needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) Plan—MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare Cost Plan—In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan’s network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Med Supp—Plans offering a supplemental policy to fill “gaps” in Original Medicare coverage. A Medigap policy typically pays some or all of the deductible and coinsurance amounts applicable to Medicare-covered services, and sometimes covers items and services that are not covered by Medicare, such as care outside of the country. These plans are not affiliated or connected to Medicare.

Supplemental Health Products—Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

Dental/Vision/Hearing Products—Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans are not affiliated or connected to Medicare.

Agent Instructions

If you are doing a sales presentation to a beneficiary, you MUST have a documented scope of what you will be discussing with the beneficiary prior to the appointment. A beneficiary cannot agree to the scope over the phone and sign the documentation later. Documentation must be in writing in the form of a signed document by the beneficiary. If you are sending an enrollment form for a client to SilverScript® Insurance Company, you must also send this document, signed by the client, to SilverScript as well. During the appointment, you may only discuss the previously agreed upon plan products, or you must create a new SOA.

Please note, the person who will discuss the products is either employed or contracted by a Medicare plan. They do not work directly for the federal government. This individual may also be paid based on your enrollment in a plan.

SilverScript Plus (PDP)⁴

Benefits in the Medicare coverage gap, even lower copays, and greater savings at preferred pharmacies.

SilverScript Allure (PDP)⁴

SilverScript Allure is a Medicare Part D Prescription Drug Plan that applies a portion of pharmaceutical manufacturer rebates earned on certain brand drugs directly to the drug's price when the prescription is purchased. This passes savings on to members by reducing the price for these select drugs, thereby lowering the member's out-of-pocket cost for these medications. For this reason, beneficiaries may see a different price for the same drug when comparing SilverScript Allure to other SilverScript plans using drug pricing tools on SilverScript.com, Caremark.com or Medicare.gov. For other SilverScript plans, manufacturer rebates are used to reduce premiums paid by the member rather than being applied to the price of the drug at the time of purchase.

Section 4: Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty you may owe) by automatic deduction from your monthly Social Security or Railroad Retirement Board benefit check, automatic bank draft withdrawal, credit card, or by mail.

Please select a premium payment option. (If you don't select an option, you will receive a monthly bill.)

☐ **Automatic Deduction from Social Security benefit check**

☐ **Automatic Deduction from Railroad Retirement Board benefit check**

SilverScript will deduct your monthly premium from your Social Security check (or Railroad Retirement Board for those who qualify) automatically. Your request for Automatic Deduction will be submitted for the next available payment cycle. **Please Note:** This may take two or more months to begin once approved by Centers for Medicare and Medicaid Services, and will not cover any premiums for which we have already sent you an invoice, so please continue to pay your premium invoice as long as you receive it. Do not select this option if another entity (such as an Employer Group or State Pharmaceutical Assistance Program) is paying part of your premium. If Social Security/the Railroad Retirement Board does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

☐ **Automatic Bank Draft Withdrawal from Checking or Savings Account**

SilverScript will withdraw your premium from your bank account automatically. To sign up, please include a VOIDED check or savings account direct deposit form from your bank with your enrollment form.

Your request for premium deduction will be submitted for the next available payment cycle. It may take one or more months for your deduction to begin. Please continue to pay your premium invoice as long as you receive it. If this request is received without a VOIDED check or savings account direct deposit form, your Automatic Bank Draft Withdrawal may not be processed.

By selecting Automatic Bank Withdrawal, I authorize the bank or financial organization on the enclosed check to pay my premium through electronic bank withdrawal payable to SilverScript Insurance Company. I authorize the deduction of up to \$300 per month to settle my current balance due. The bank or other financial organization will be fully protected in honoring these payments until written notice from me canceling this request is received at the address listed at the end of this form.

Account Holder Signature _____

☐ **Monthly payments by check.** You will be mailed a premium invoice each month. **Do not send payment with this enrollment form.**

Note, the option to pay using a **Credit Card** can be started after your enrollment in the plan. You can call us toll free once your enrollment in the plan is active, at: 1-866-824-4055, 24 hours a day, 7 days a week. TTY users call 711.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty.

Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at

www.socialsecurity.gov/prescriptionhelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security or Railroad Retirement Board benefit check or be billed directly by Medicare. Do NOT pay the Part D-IRMAA extra amount to SilverScript Insurance Company.

Section 5: Please Read and Answer These Important Questions

Some individuals may have other drug coverage, including other private insurance, TRICARE, Federal employee health benefits coverage, VA benefits, or State Pharmaceutical Assistance Programs.

Will you have other prescription drug coverage in addition to SilverScript Prescription Drug Plan?

☐ Yes ☐ No

If “yes,” please list your other coverage and your identification (ID) number(s) for this coverage. The shaded line shows how this may appear on your card.

If you need information in an alternate language or accessible format, such as Braille, audio tape or large print, please contact SilverScript Insurance Company at 1-855-771-9286, 24 hours a day, 7 days a week. (TTY users call 711).

Would you like to receive paperless Explanation of Benefit (EOB) statements?

We'll send you a monthly email alert to view your statement. You can print it only if you need to – keep the clutter down and your information secure.

☐ Yes, I want to receive my EOB statements electronically

☐ No, I want to receive my EOB statements in the mail

The Explanation of Benefits (EOB) is a record of your prescription claims that have been processed for the month. The EOB statement shows each prescription's cost, the amount your plan has paid toward its cost, and the amount for which you're responsible. You can change your preference on caremark.com at any time.

If you choose to receive paperless Explanation of Benefit statements, you will need to create an account on Caremark.com. In addition to viewing your EOB statements online, Caremark.com will give you the ability to track your prescription costs and order mail service prescriptions.

Section 6: Please Read This Important Information

If you are a member of a Medicare Advantage Plan (such as an HMO or PPO), you may already have prescription drug coverage from your Medicare Advantage Plan that will meet your needs. By joining SilverScript PDP, your membership in your Medicare Advantage Plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage Plan sends you and if you have questions, contact your Medicare Advantage Plan.

If you currently have health coverage from an employer or union, joining SilverScript PDP could affect your employer or union health benefits. You could lose your employer or union health coverage if you join SilverScript PDP. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there isn't information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Section 7: Please Read Terms and Sign on Page 6

By completing this enrollment form, I agree to the following:

SilverScript PDP is a Medicare drug plan and has a contract with the Federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare Part A or Part B coverage. It is my responsibility to inform SilverScript of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare Prescription Drug Plan at a time – if I am currently in a Medicare Prescription Drug Plan, my enrollment in SilverScript will end that enrollment. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes if an enrollment period is available, generally during the Annual Enrollment Period (October 15 – December 7), unless I qualify for certain special circumstances.

SilverScript serves a specific service area. If I move out of the area that SilverScript serves, I need to notify the plan so I can disenroll and find a new plan in my new area. I understand that I must use network pharmacies, except in an emergency when I cannot reasonably use SilverScript network pharmacies. Once I am a member of SilverScript, I have the right to appeal plan decisions about payment or services if I disagree. I will read the *Evidence of Coverage* document from SilverScript when I get it to know which rules I must follow to get coverage.

I understand that if I leave this plan and don't have or get other Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with SilverScript, he or she may be paid based on my enrollment in SilverScript.

Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.

Release of Information

By joining this Medicare Prescription Drug Plan, I acknowledge that SilverScript PDP will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that SilverScript will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under state law where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that:

- 1) This person is authorized under state law to complete this enrollment and
- 2) Documentation of this authority is available upon request by Medicare.

Point-of-Service Discounts

Pricing tools reflect SilverScript Allure point-of-service discounts.

SilverScript Allure (PDP)⁴ is a Point-of-Service rebate plan.

SilverScript Allure is a Medicare Part D Prescription Drug Plan that applies a portion of pharmaceutical manufacturer rebates earned on certain brand drugs directly to the drug's price when the prescription is purchased. This passes savings on to members by reducing the price for these select drugs, thereby lowering the member's out-of-pocket cost for these medications. For this reason, beneficiaries may see a different price for the same drug when comparing SilverScript Allure to other SilverScript plans using drug pricing tools on SilverScript.com, Caremark.com or Medicare.gov. For other SilverScript plans, manufacturer rebates are used to reduce premiums paid by the member rather than being applied to the price of the drug at the time of purchase.

NOTE: The drug costs displayed for Allure on the pricing tools are estimates to reflect the Point-of-Service discounts that will be applied at the pharmacy.

Common questions before making your decision

Who can join?

You must be entitled to Medicare Part A and/or be enrolled in Medicare Part B, be a U.S. citizen or be lawfully present in the United States, and live in our service area. Our service area includes the following:

- SilverScript Choice (PDP) is available in all states and the District of Columbia.
- SilverScript Plus (PDP) is available in all states and the District of Columbia, except Alaska.
- SilverScript Allure (PDP) is available in all states and the District of Columbia, except Alaska.

Which drugs are covered?

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at www.silverscript.com. Or give us a call and we will send you a copy of the formulary.

How will I determine my drug costs?

The amount you pay depends on the drug tier, the pharmacy you use, and which stage of the benefit you have reached. Each medication is on one of five “tiers.” You can use your formulary to identify the drug’s tier and how much it will cost you.

There are four benefit stages in your Medicare prescription drug coverage: Deductible Stage, Initial Coverage Stage, Coverage Gap Stage, and Catastrophic Coverage Stage. As you move from stage to stage, the amount you and the plan pay for your drugs may change. For more information about formulary tiers and stages of the benefit, please see the plan’s formulary and the *Evidence of Coverage* on our website at www.silverscript.com, or contact Customer Care at 1-866-552-6106 (TTY: 711), 24 hours a day, 7 days a week.

Which pharmacies can I use?

SilverScript has a network of pharmacies, and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies offer preferred cost-sharing. You may pay less for some drugs if you use these pharmacies compared to other network pharmacies that offer standard cost-sharing. You also have the option of using our mail service pharmacy, CVS Caremark Mail Service PharmacyTM. If you must use an out-of-network pharmacy in an emergency or similar situation, you may pay more than you pay at an in-network pharmacy. You can look up your nearest network pharmacies using the online Pharmacy Locator tool on our website at www.silverscript.com. Or call us and we’ll send you a copy of the pharmacy directory.

Plan Costs

The following pages contain tables showing you the monthly premium, annual deductible, and cost-sharing during the Initial Coverage Stage for SilverScript Choice (PDP), SilverScript Plus (PDP), and SilverScript Allure (PDP) in each region we offer prescription drug plans. Although most members do not reach Stage 3 (Coverage Gap Stage) or Stage 4 (Catastrophic Coverage Stage) during the plan year, a summary of your costs in these stages can be found below.

Monthly Premium

Monthly plan premiums range in price based on the plan you are in and where you live. The cost-sharing tables on the following pages list the monthly premium amounts for every state. You must continue to pay your Medicare Part B premium.

Stage 1: Annual Deductible Stage

SilverScript offers three prescription drug plans — SilverScript Choice (PDP), SilverScript Plus (PDP), and SilverScript Allure (PDP) — each of which feature a \$0 deductible*. The tables on the following pages include the details on the \$0 deductible for each state.

*SilverScript Choice has a \$0 deductible for Tier 1 and 2 drugs for plans in AZ, CO, GA, SC, and TX. The AK plan has a deductible for all tiers. SilverScript Plus and SilverScript Allure plans do not have a deductible and are not available in AK.

Stage 2: Initial Coverage Stage, Cost-Sharing

During the Initial Coverage Stage, you pay a portion of your drug cost, and the plan pays a portion. The tables on the following pages show what you pay until your total yearly drug costs reach \$3,820. Total yearly drug costs are the total drug costs paid by both you and our Part D plan. You must get your drugs from retail pharmacies or mail-order pharmacies in our network in order for SilverScript to share the cost of your prescriptions. If you reside in a long-term care facility, you pay the same amount as at a retail pharmacy. You may get drugs from an out-of-network pharmacy in an emergency, but you may pay more than you pay at an in-network pharmacy.

Stage 3: Coverage Gap Stage

The coverage gap (also called the “donut hole”) begins after the total yearly drug costs (including what our plan has paid and what you have paid) reach \$3,820.

SilverScript Choice (PDP)

After you enter the coverage gap, you pay 25% of the drug cost for covered brand name drugs and 37% of the drug cost for covered generic drugs until your out-of-pocket costs (not including your premiums) total \$5,100, which is the end of the coverage gap. Not everyone will enter the coverage gap.

SilverScript Plus (PDP)

Under this plan, we will continue to provide some prescription drug coverage beyond the standard coverage for certain drugs in the Coverage Gap Stage.

This plan provides coverage in the gap for Tier 1 and 2 drugs when filled at a network pharmacy.

For Tier 1 (Preferred Generic) and Tier 2 (Generic), you will continue to pay the copayment amounts you were paying in the Initial Coverage Stage. Refer to the tables on the following pages for the copayment amounts.

For Tiers 3, 4, and 5, you pay 25% of the drug cost for covered brand name drugs and 37% of the drug cost for covered generic drugs until your out-of-pocket costs (not including your premiums) total \$5,100, which is the end of the coverage gap.

SilverScript Allure (PDP)

After you enter the coverage gap, you pay 25% of the drug cost for covered brand name drugs and 37% of the drug cost for covered generic drugs until your out-of-pocket costs (not including your premiums) total \$5,100, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Stage 4: Catastrophic Coverage Stage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail-order) reach \$5,100, you pay the greater of:

- 5% of the cost, or
- \$3.40 copay for generic drugs (including brand drugs treated as generic) and \$8.50 copay for all other drugs.
